

The Spark Service Team exists to create places within FUEL 9/10 for students to serve. This will primarily happen at FUEL 9/10 weekend services through practical service opportunities. The Spark Service Team is comprised of 4 teams, each with a specific area of focus:

Worship Team – Please Note: This team requires the Worship Leader’s Approval*

Purpose: to lead students in the worship and praise of God through instruments and voice.

Highlights:

-Learning multiple instruments, Monday band lab, worship concerts

Food Team

Purpose: to prep food for weekend and Wednesday services while keeping the café area clean.

Highlights:

-Creating meals around themes, shopping trips, cooking meals

Welcome Team – Please Note: This team requires Staff Approval*

Purpose: to create a welcoming and engaging environment during FUEL services for new and returning students of all backgrounds and social standings.

Highlights:

-Ambassadors to high school campuses, having the newest FUEL 9/10 swag, special events

Production Team

Purpose: to facilitate and oversee the production of all FUEL 9/10 weekend & Wednesday services. This will be accomplished through the operation of the LED light system, ProPresenter, and sound board.

Highlights:

-Learning lighting cues, learn how to EQ a band, & more
